(*) We could not find a proper word that begins with an "O" to make it clear that we are real entrepreneurs. So we have left it in Dutch!

HISTORY

More than 20 years ago, Darco started as a local Belgian stretch film rewinder. Today, Darco developed into a West-European market player, with 3 divisions located in Belgium, The Netherlands and France.

MISSION

Darco has the mission to support their customers making a perfect packed pallet for transport. Therefore we analyze and search together with our partners for the best products. If necessary we even create customized solutions in accordance with the customer. Our business culture is based on thrust and knowledge.

VISION

Our goal is to create a stable packed pallet for our customers and business partners . To obtain this load stability, our slogan "Strap, Wrap, Tape, Pack" explains our total range of packaging solutions.

This way we want to be recognized as a flexible, dynamic, top company, with respect for people, environment and nature.

Why working together with Darco ?

CUSTOMER CENTRAL

Darco is a dynamic team of colleagues, placing the customers in the center of their business.

PROFESSIONAL SPECIALISTS

Due to more than 20 years experience, curiosity from the colleagues and dynamic partners, Darco shall have a team of specialists in their range of products.

OPEN COMMUNICATION

We do what we say, and we say what we do, with an open communication.
